Hempfield Band Booster Club Minutes

June 12, 2023, 7pm

In attendance: Jamie & Greta Smith, Kendra & Larry Guengerich, Johanna Kreibick, Beth Gardner, Kim Barden, Matthew Ceresini, Don Discavage, Patrick Long, Mark & Susan McPhail, Wil & Jen Martin, Brendon & Wendy Herr

1. Chloe Salisbury: 2023 HMK band president

- a. Mr. C introduced Chloe to the booster club. She performs in the front ensemble and says that HMK has provided her with good friendships, a place to belong, and she has become a better performer since being part of band. She thanked the boosters for all the seen and unseen tasks that we do for the different ensembles.

2. Band Director: Matt Ceresini

- a. Foundations of team – This is something that he is working on with students and staff. The bottom layer of a good team is trust and respect. We may not all agree but that we are all working towards the same goal.
- b. HMK 2023 – current roster is around 110, will probably end up closer to 100. Some music may be released on Thursday. There have been discussions on props and uniforms.
- c. Summer workouts/practice time – Check the calendar in CutTime for dates and times.
- d. Summer cleanups (student and parents) – looking for a parent with knowledge of electric circuitry. Contact Mr. C if that is in your skill set.
- e. Cavalcade of Bands – Bishop McDevitt, Warwick and New Oxford are scheduled to host champs this upcoming season. New Oxford's band director has left, and they will not be hosting after all. Discussion was had about if we want to consider hosting and if we have the resources/volunteer to host. Saying yes doesn't mean we will be picked. Where would we practice? Is there enough parking? Enough volunteers – consider asking NHS, scouts, elem band parents, student alumni. We would need a letter of approval from the district. The football field would be available since it is a bye week for football.
Vote to move forward with offering our site: Approved with no dissent.

3. HBBC President: Greta Smith
